EAST & WEST BANK · YOUR OWN GUIDE

Private Guided Day Tour

A licensed Egyptologist in your language, a car with driver, at your pace

What to expect

Luxor is often called the world's greatest open-air museum, and a good guide turns its stones into stories. With a private tour you choose the sites, the start time and how long to stay at each one.

A typical day starts early on the West Bank — the Valley of the Kings, Hatshepsut's temple and the Colossi of Memnon — and finishes with Karnak and Luxor Temple on the East Bank.
